P1 left

P1 right

P1 · tile 1/2 · 1x2

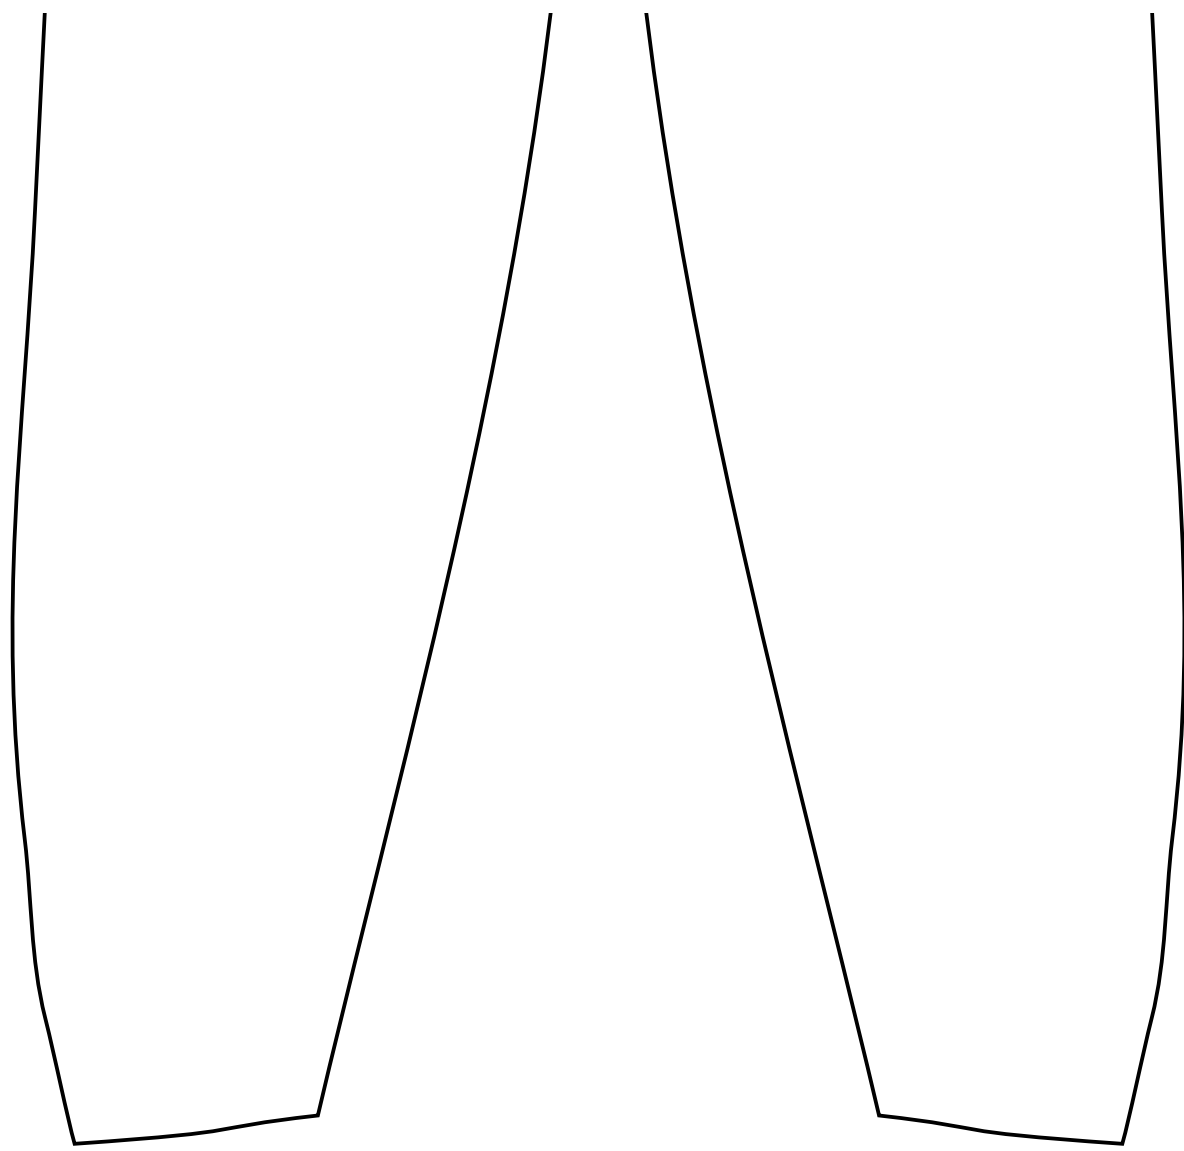

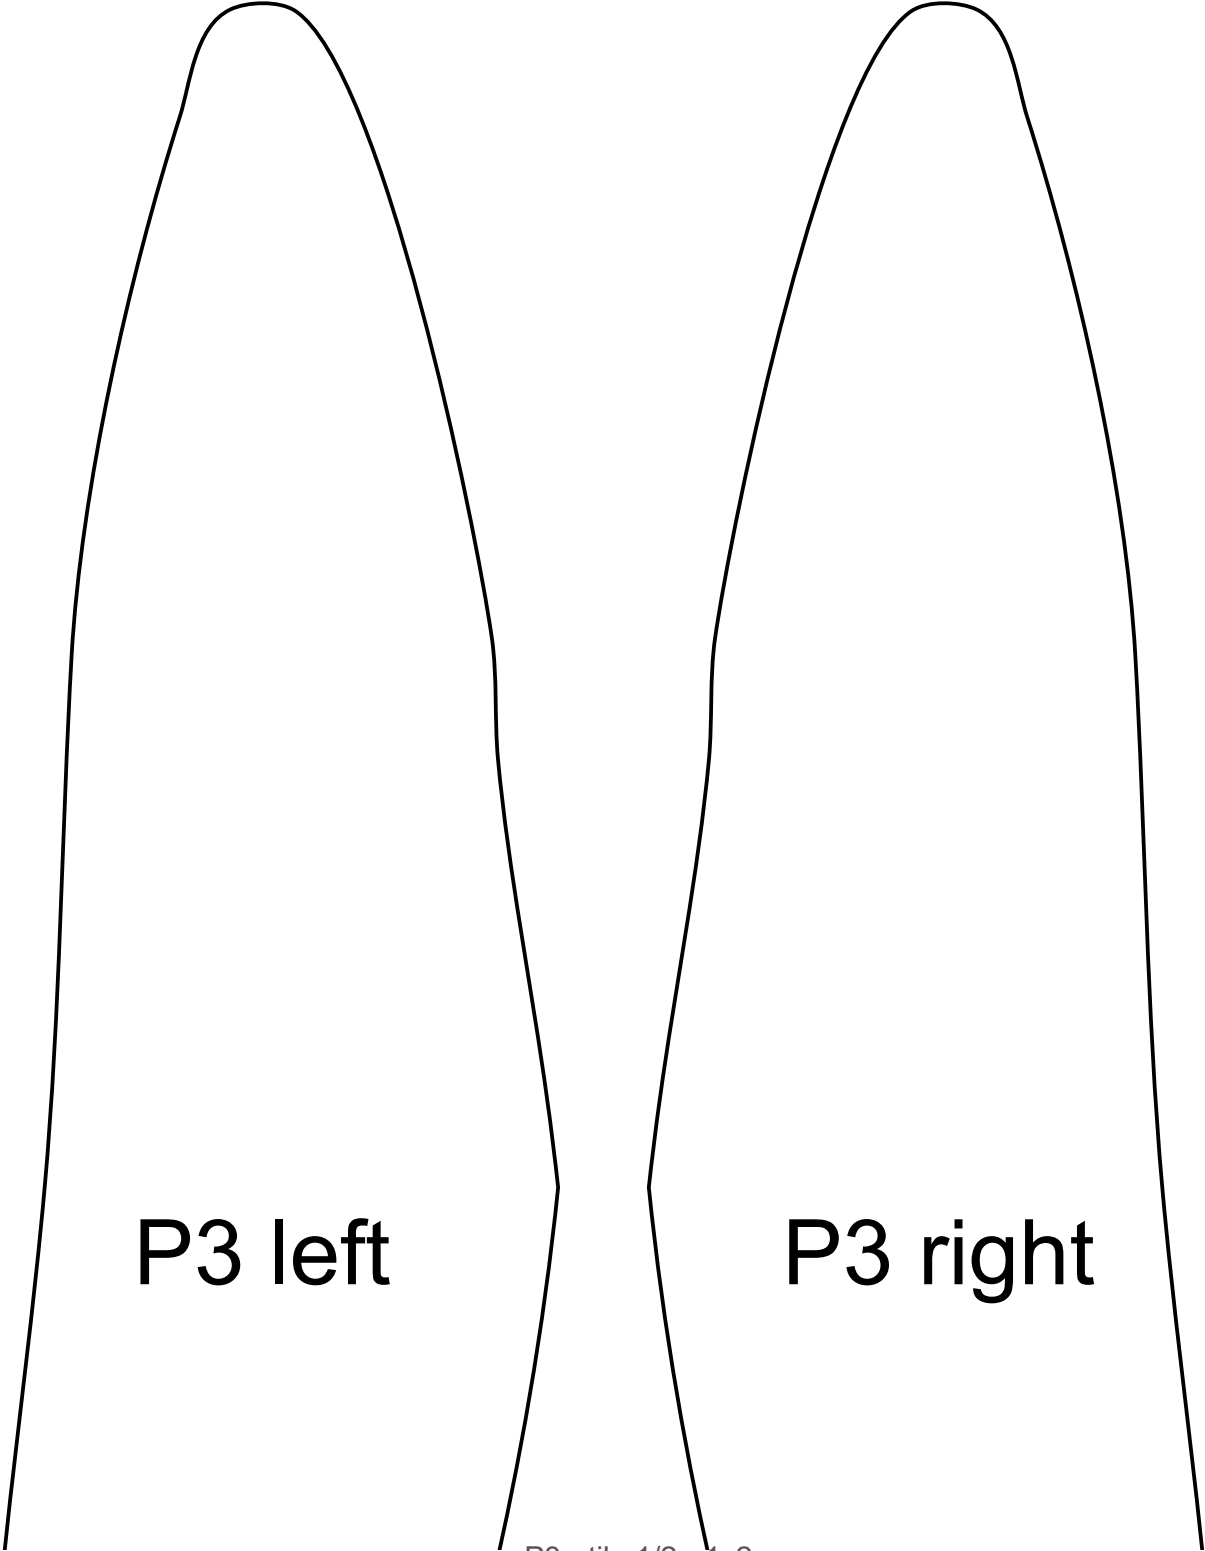

The diagram consists of two identical, overlapping arches drawn with thin black lines. Each arch is a smooth curve that starts at a point on the bottom, rises to a peak, and then descends to another point on the bottom. The two arches are positioned side-by-side, with their peaks slightly offset from each other. The left arch is labeled 'P2 left' and the right arch is labeled 'P2 right'.
