The diagram shows two overlapping bell-shaped curves, one on the left and one on the right. A horizontal dashed line runs across the bottom of the curves. The left curve is labeled 'P2-left' and the right curve is labeled 'P2-right'. Below the dashed line, centered between the two curves, is the text 'P2 · tile 1/2 · 1x2'. There are corner brackets in the top-left, top-right, and bottom-left corners of the diagram area.

The diagram shows two identical, vertically oriented, teardrop-shaped regions. The left region is labeled 'P5-left' and the right region is labeled 'P5-right'. Both shapes are defined by a smooth, continuous black line. They are positioned side-by-side, separated by a narrow gap. A horizontal dashed line runs across the bottom of the image, passing through the lower part of both shapes. The overall layout is symmetrical about a vertical axis.
